

The Pittsburgh International Auto Show

FEBRUARY 16 - 19, 2018

INVITATION TO EXHIBIT

The 2018 Pittsburgh International Auto Show invites companies to display their products and services at one of the top consumer shows in Pittsburgh. The event brings together in one location every major automobile manufacturer, and showcases all that's new and exciting in automotive products and services. Premium exhibit space offers your company the opportunity to engage nearly 60,000 consumers while being positioned with some of the most powerful brands in the world. We are customizing booth sizes and packages to fit your needs. A wide variety of Sponsorship opportunities are also available.

Last year, through our partnerships with the local broadcast, print, online, and social media, our purchased advertising of more than \$150,000 was leveraged to well beyond \$355,000.

Nowhere else during the year can you possibly use your marketing dollars more effectively to target new customers, build brand recognition, introduce new products and services and distribute sales and promotional information.

Every year we ask the public how we can improve the show. The consistent answer is to increase our vendor area. Come be part of the excitement! Our attendees are eager to meet and talk to you.

GPADA 207 SIGMA DRIVE, PITTSBURGH, PA 15238
